**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a small business owner who supports broadband competition. I choose to support smaller local businesses instead of to large telecommunications companies. The larger companies (such as AT&T) already have a market advantage over smaller businesses, and I'd like the FCC to keep existing regulations in place that help smaller internet service providers to remain competitive in the telecom marketplace.

Thank you for your consideration.
